At Scandic's restaurants, we have respect for good food. Our kitchen has roots in the Danish and Nordic cuisine with consideration for seasonal ingredients. We cultivate the natural, the simple and the regional - and we have the courage to be inspired by other cuisines, if the taste is right.

Our chefs have a special love for organic, animal welfare and local sustainable ingredients, and you can always be sure to get some proper meat and fresh fish. At your plate, the meat is from Grambogård, which provide us the opportunity, to serve tasty welfare, on every plate.

Welcome and enjoy your meal
