# MENU

In our Scandic restaurants, we respect good food. Our chefs value the Danish and Nordic traditions, using fresh seasonal ingredients. We are into the natural, the simple and the local. Yet, we still have the courage to be inspired by other regions of the world, if the taste is right.

Our Head Chef has a particular passion for local ingredients, you can always be sure you get a matured steak and freshly caught fish. We have selected Danish, free range Angus beef, which makes us able to offer you the finest cuts possible. At Scandic, we have partnered with Strandbyfisk. Our partnership ensures a supply of sustainable fish, caught close to our shores. The majority of our fish are caught along the Danish coasts and landed the very same day they are pulled from the sea. We call this "Danish inshore fishing".

Create your own menu by choosing 2 or 3 courses from our selection of starters, mains and desserts. Or choose one of our many classic dishes, not available on the pick and choose menu. Welcome and enjoy!
