

MENU

At Scandic's restaurants, we have respect for good food. Our kitchen has roots in the Danish and Nordic cuisine with consideration for seasonal ingredients. We cultivate the natural, the simple and the regional - and we have the courage to be inspired by other cuisines, if the taste is right. Our chefs have a special love for organic, animal welfare and local sustainable ingredients, and you can always be sure to get a proper steak and fresh fish. We have the award-winning Finnish Natural Cattle from Freygaard in the ripening cabinet and cut it out to the best steaks.

WARM UP WITH OUR INTENSE AND CREAMY WINTER SOUP

This Winter, you can help us avoid food waste by tasting our delicious upcycled mushroom soup. The soup is made from good organic mushrooms, leeks, carrots, and apples that have been discarded due to their size or shape. However, they taste heavenly in our mushroom soup.
