Talisker 10, green Chartreuse, hot chocolate, cream n' milk, chocolate bitters, marshmallows

Sveavägen is a 2500 meters (8202 ft) long street in central Stockholm. It starts at Sergels Torg and stretches all the way to the Haga Park in the north. It is known for being one of the busiest roads in Sweden, and also where former Prime Minister Olof Palme was assassinated on 28 February 1986.

Mälarhöjden Fizz 68
Seedlip, lemon, saffron syrup, egg, tonic water (alcohol-free)

Mälarhöjden is a residential area south-west of Stockholm, dominated by lake-side villas. In the 1700s, you might have been able to catch a ride to the local inn "Klubben" with singer/songwriter Bellman in his boat. But today, you can easily get there by metro.
