# 12 REASONS FOR BUYING A BOOK OF CHEQUES

**A book of Scandic Bonus Cheques contains twelve cheques. When you buy a book of cheques, you freeze the price of a night in the hotel at a low level for this year and the next for as long as the cheques last. If you need more, just buy a new book. It couldn't be easier to keep the company's costs down. You stop having to shop around for low prices without cutting back on comfort for staff who work on the move.**

## ONE BOOK – SEVERAL USERS

The Bonus Cheques aren't personal, which means they're a great saver for companies because the book can be shared between several members of staff or between different offices. A good deal for everyone who travels on business.

## CUT YOUR HOTEL COSTS

Bonus Cheques mean you avoid market fluctuations. You are guaranteed the same price irrespective of availability and demand for at least a whole year. And your Scandic Bonus Cheques are valid as long as we've got vacant rooms.

## VALID IN OVER 200 HOTELS

You can use Bonus Cheques in all our hotels, except for in Scandic Partner Hotels. You don't need to deal with foreign currency to pay for your accommodation or work out exchange rates on foreign invoices. They also give you a great deal of freedom, knowing you'll always be able to find a good hotel wherever you happen to be.

## SO WHAT DOES IT COST?

You will find all rates and supplements on [scandichotels.com/bonuscheque](http://scandichotels.com/bonuscheque). In some hotels you pay a supplement when you use your cheques. But even then you're saving money because you started out with a lower rate.
